### WELCOME AND INTRODUCTION

Dear parents, carers and students,

This is the second **Careers News** of this autumn term, but the final issue of 2023. **And it's another bumper edition!** From time to time, I am notified of other opportunities which, if left, you as parents and our students would miss out on, if I were to wait for the **Career News** newsletter issue dates; so you may have received additional news during the weeks since the last edition. **Happy reading!**

Year 11 have had their mock exams and are preparing for their 'next steps'; Year 13 are writing personal statements and making apprenticeship applications. This is a busy term for us all. I hope the information below will be useful information to you; as you support your children/ our students with **Shaping their Exceptional Futures** at Co-op Academy Bebington. Follow us across our social media channels on X (formerly Twitter); Instagram and Facebook.

**Readership Survey:** I am trying to get a better understanding of our readers; so if you could complete this Google form, I would be most grateful. **LINK BELOW**  
<https://docs.google.com/forms/d/1KdPbPhi5BzYOWJXXQrBOPHYA26DVLvpYdljKOPfkQk/edit>

Thank you. Wishing you and your families a restful break. To all our students, enjoy the break and come back refreshed and ready to learn.

Kind regards **Mrs C Fardoe - CEIAG Coordinator**

[Service](#)

### Open events for Post 16:

- **Co-op Academy Bebington:** Sixth Form Information Evening for yr 11, **Careers Fair** open to all years and GCSE Options Evening for Y9 **16th January 2024 5pm to 7pm** (further information to follow)

### Who should attend the school's Careers Fair; GCSE Options and Sixth Form Options Evening?

**ALL students/parents/carers at Co-op Academy Bebington are invited.** However, there are certain Year groups whose attendance is **EXPECTED** - they are -

**\*All Y11s who are making career choices and decisions about their future.**

**Y11: \*\*This is beneficial to you to attend, even if you are not planning on returning to the school sixth form; as there will be other providers on site for you to speak with about their courses; apprenticeships and university careers \*\***

**\*All Y9s who are making choices about their GCSE subject options**

**\*External candidates who are considering making an application to our school sixth form**

**Please check individual websites:** Post 16 - I have included links for the colleges/ sixth forms I am asked about most frequently; but this is not an exhaustive list!

- ☐ BSFC [Open Evenings | Birkenhead Sixth Form College \(bsfc.ac.uk\)](#) 30/11/23 was their last date. Check their website for their next information evening
- ☐ WMC [Events \(wmc.ac.uk\)](#) 10/01/24 4:30 - 7pm is their next event
- ☐ CCSW [Events Archive - Cheshire College South & West \(ccsw.ac.uk\)](#) 11/01/24 5:30 - 7pm is their next event
- ☐ Hugh Baird College [Events | Hugh Baird College](#) 07/12/23 5 - 7pm. Please check their website for full information.
- ☐ City of Liverpool College [Events and Open Days](#) 28/11/23 was their last event, please check their website for further dates.
- ☐ LIPA Sixth Form [LIPA Sixth Form College - Open Days](#) SAT 20/01/24 is their next date. You need to BOOK a place. See their website.
- ☐ LMA [BTEC Courses - LMA](#) Please see their website, they have a *virtual open event enquiry system* in place

Generally speaking, sixth forms that are attached to a school, will hold ONE sixth form open evening in late autumn or early spring terms. Other sixth forms and colleges will hold multiple events; beginning in the autumn term. Check the individual websites for further information.

Please see the link below with news about last year's **Careers Fair** (held in January 2023) **Coming soon . . . 2024 DATE: 16th January. Further information will be sent to parents/carers on our first week back after the Christmas break!**

**Experiences of the Workplace: WORK EXPERIENCE - Y10 and Y12 - Planned dates.**

**A reminder!**

**I will write to parents/carers of Y10 and Y12 in the new term, after the school holidays.**

- **Year 10:** Mon 1st July (Y10 will be in school) Tue 2nd July (Y10 will be in school); Wed 3rd to Fri 5th July on a work placement or if not possible/ no placement found; a programme of employability activities will be provided. **Benefits of sourcing your own placement:** 1. You will not be in competition with other students here in school for that placement; it will be yours alone. 2. Employers in general, are more impressed by students reaching out and contacting employers than the school or parents doing this on their behalf. 3. It will be with an employer you would like to be placed with and who is known to you.
- **Year 12:** Mon 1st July to Fri 3rd July. Year 12s are expected to be off site at their work placement for the 5 days that week. Last year, there were some students who took part in a summer residential at university the same week; but at this stage, I do not know what dates the universities are planning those weeks and there is no guarantee that you would be allocated a residential place, so you should still be looking for a placement for that week.
